The Housing Policy Library contains information on dozens of local housing policies that may be of interest to cities, towns, and counties.

--

Housing Policy Library

I. Create and preserve dedicated affordable housing units
II. Aligning housing supply with market and neighborhood housing conditions
III. Help households access and afford private-market homes
IV. Protect against displacement and poor housing conditions
Complementary policies in other domains (e.g., health, education, environment)

Each write-up provides an introduction to key policy components and considerations and links to materials providing more information. These policies are organized into a series of categories and sub-categories that correspond to key roles that are executed by local housing policy. Click on the policy name to access the policy description. The categories and sub-categories together comprise our housing policy framework.
