Housing Policy Library

The Housing Policy Library contains information on dozens of local housing policies that may be of interest to cities, towns, and counties.

HOUSING POLICY FRAMEWORK

I. Create and preserve dedicated affordable housing units
II. Promote affordability by reducing barriers to new supply
III. Help households access and afford private-market homes
IV. Protect against displacement and poor housing conditions

Complementary policies in other domains (e.g., health, education, environment)

Each write-up provides an introduction to key policy components and considerations and links to materials providing more information. These policies are organized into a series of categories and sub-categories that correspond to key roles that are executed by local housing policy. Click on the policy name to access the policy description. The categories and sub-categories together comprise our housing policy framework.

I. Create and preserve dedicated affordable housing units

Establishing incentives or requirements for affordable housing
Density bonuses Reduced parking requirements for qualifying developments Expedited permitting for qualifying projects Reduced or waived fees for qualifying projects Tax abatements or exemptions Inclusionary zoning

Improving quality of both new and existing housing
- Housing and building codes
- Code enforcement
- Lead abatement
- Assistance for home safety modifications
- Homeowner rehabilitation assistance programs
- Weatherization assistance

Ensuring the ongoing viability of unsubsidized affordable rental properties
- Tax incentives for the maintenance and rehabilitation of unsubsidized affordable rental properties
- Expanded access to capital for owners of market affordable rental properties
- Guidance for small, market affordable property owners

Complementary policies
- In addition to housing policy tools, we recommend that cities, towns, and counties
consider ways to link housing policies with complementary policies in the areas of health, education, transportation, and the environment to address important societal concerns. For more information, visit the Bridge section of the website.
