

Building coalitions

LocalHousingSolutions.org includes a range of resources that can help cities, towns, and counties build coalitions both within and outside of government.

Brief: Engaging the community in the development of a local housing strategy

This brief makes the case for engaging the community and provides examples of how it can be accomplished. [Read the brief.](#)

Brief: Promoting interagency engagement and collaboration in the development of a local housing strategy

This brief provides guidance on structuring the planning process to include local leadership and agency representatives. [Read the brief.](#)

BRIDGE

[This section of the website](#) explores other policy areas which offer the opportunity for building strong coalitions to support housing initiatives.
