Implementation

LocalHousingSolutions.org includes a range of ideas to help cities, towns, and counties in implementing their local housing strategies.

**Brief: Monitoring and evaluating progress**

This brief explains the importance of monitoring progress not just to identify areas that are falling short and so need more focus but also to prompt consideration of possible changes in policies and priorities. *Forthcoming.*

**Brief: Selecting and managing with numerical goals**

This brief helps identify key metrics for monitoring the progress toward meeting the goals of your local housing strategy. *Forthcoming.*

**Brief: Other factors that can be critical to achieving desired goals**

This brief lays out some key factors which can affect the likelihood of achieving the goals embedded in your local housing strategy. *Forthcoming.*
